

# *High Holiday Seats for Sale...*

We have several groupings of seats that are available for purchase for the upcoming High Holiday period.

## *What does it mean to purchase seats?*

It means that during the High Holiday services (Rosh Hashanah days 1 and 2, Kol Nidre, and Yom Kippur), you will have assigned seats that can only be used by you and your family. These seats will remain yours as long as you are members in good standing at the Temple.

## *Where are the seats?*

We have seats available in the main sanctuary that cost \$5000 a piece. In addition, during the holidays we set up 5 rows of our ballroom chairs immediately behind the sanctuary that cost \$2000 per seat.

## *Do I have to pay for the seats in full?*

No, the seats can be paid off in 5 years. A mutually agreed upon payment plan can be arranged.

## *Are these seats reserved for me and my family during regular Shabbat or other festival services?*

No, these seats are only reserved for the High Holidays.

## *Are there unlimited seats available?*

We currently have groupings of 2 seats and groupings of 3 seats available. We also have a waiting list that your name can be added to for larger groupings of seats if they become available in the near future.

## *Do I have a choice which seats I can purchase?*

If you express an interest in purchasing seats, you would be able to view all the available locations and decide which you prefer. Everything at this point is on a first come first served basis.
